SUPPLEMENTARY INFORMATION: The Bureau's procedures for Monitoring and Evaluation are found at 43 Code of Federal Regulations 1610.4-9. Each District has distributed annual District program summaries to report plan monitoring by fiscal year and quarterly updates for the applicable approved RMPs to their lists of known interested addressees. There is no fixed public review or comment period for the annual and quarterly reports, and comments or questions may be raised to the applicable office staff at any time. Interested persons may request copies of past reports and to be added to the applicable mailing lists by contacting the applicable District offices. Each District has a limited number of the approved RMPs and the supporting Environmental Impact Statement document(s) available upon request. Each plan contains an appendix for plan monitoring evaluation, which includes up to 20 pages of specific monitoring questions which will form the basis for the specific RMP evaluations. Portions of the documents listed above may be available in an electronic format and some may be available on Bureau electronic Internet "web sites." Interested individuals should contact the individual District offices to determine availability of planning documents and reports in local libraries or in electronic formats. Single copies of all of the plans and annual reports are also available for inspection during normal working hours in the Oregon State Office (7th floor Lands Office) at the address listed above.

Dated: January 5, 1998.
